I had the pleasure of dining here on multiple occasions (more than 6). The food was superb each time! The Twin Cities doesn't have a lot of Southern Style restaurants although there is a huge need and demand for the taste of down home good food. From the jerk chicken to the peach cobbler. There is something on the menu for everyone. I know, your waiting for my personal recommendations, right? OK...

The Jerk Chicken or The Po' Boy Sandwich

Fried Okra and the "JUST RIGHT" Peach Cobbler.
